PROFESSIONAL SUMMARY

IT Support and Systems professional with a BSc (Honours) in Computing and hands-on experience across IT operations, network infrastructure, and user support. Proven ability to troubleshoot hardware, software, and network issues while maintaining system reliability in fast-paced environments. Experienced in incident handling, system monitoring, Microsoft 365 administration, and LAN/WAN support. Combines strong technical skills with customer-facing experience to deliver efficient and user-focused IT services. Currently advancing knowledge in IT Service Management (ITSM) practices to support structured, scalable IT service delivery.

EDUCATION & TRAINING

BSc (Honours) in Computing
Botho University | 2011 – 2015

- Upper Second Class (CGPA: 3.08)
- Dean's List Awardee

Cisco Networking Academy – CCNA (v7) *(In Progress)*
Cisco Networking Academy | 2022 ***(Exam pending)***

- Modules completed:
  - Introduction to Networks
  - Switching, Routing & Wireless Essentials
  - Enterprise Networking, Security & Automation

CORE SKILLS

IT Support & Service Delivery

- First-line technical support & incident resolution
- Incident logging, tracking & escalation

- Remote support (TeamViewer)
- User account & access management
- System uptime monitoring

Networking & Infrastructure

- LAN/WAN setup and troubleshooting
- TCP/IP, DNS, DHCP
- Network diagnostics & performance monitoring
- Basic VLAN & infrastructure support

Systems & Tools

- Microsoft 365 (Outlook, Teams, SharePoint)
- Windows 10 / 11 & Windows Server
- Google Workspace
- Network diagnostic tools
- GitHub (basic)

Customer Support & Operations

- End-user support & issue resolution
- Complaint handling & escalation
- Cross-team coordination
- Documentation & reporting

PROFESSIONAL EXPERIENCE

Customer Service Representative (Technical & Field Support)

Allgreen Holdings (Pty) Ltd | Sept 2025 – Dec 2025

- Conducted on-site verification and auditing of smart water meter systems
- Resolved customer service and system-related issues in real-time
- Identified and reported faults including leakages and unauthorized connections
- Maintained accurate field data using Google Sheets and internal systems
- Coordinated with technicians, KYC teams, and field staff for issue resolution
- Contributed to quality assurance processes and audit reporting

---

Assistant Information Technology Officer *(Contract)*

Allgreen Holdings (Pty) Ltd | March 2025

- Provided first-line technical support for hardware, software, and network issues

- Monitored network performance and system health to ensure uptime
- Managed user accounts and access in a Windows Server environment
- Supported cybersecurity controls including antivirus and access management
- Performed data backups and assisted in disaster recovery processes
- Delivered remote IT support across multiple locations
- Conducted basic cybersecurity awareness for staff

Information Technology Officer

Allgreen Holdings (Pty) Ltd | March 2025

- Installed, configured, and maintained ICT systems and infrastructure
- Managed system security, backups, and access control processes
- Provided onsite and remote technical support to users
- Monitored system performance and ensured operational continuity

---

Smart Prepaid Water Meter Technician *(IoT Systems Support)*

Allgreen Holdings (Pty) Ltd | Jan 2025 – Feb 2025

- Installed and configured network-connected smart metering systems
- Diagnosed and resolved device communication and connectivity issues
- Ensured accurate data transmission between devices and backend systems
- Performed maintenance, calibration, and troubleshooting of devices
- Generated detailed technical reports for installations and repairs
- Educated users on system usage and basic troubleshooting

IT Support Intern (IT Operations & Infrastructure)

Sedumedi Junior Secondary School | Nov 2016 – Oct 2018

- Managed day-to-day IT operations across school systems
- Provided first-line support for staff and students
- Maintained LAN infrastructure and resolved connectivity issues
- Performed system backups and supported data recovery processes
- Installed software, managed updates, and maintained system security
- Delivered IT training to improve digital literacy

PROJECTS

IT Portfolio Website

🔗 https://lmmatheo.github.io/matheo-portfolio/

- Showcases real IT support, networking, and troubleshooting work
- Demonstrates hands-on experience in system setup and issue resolution

Spike Predictor Web Application

🔗 https://lmmatheo.github.io/spike-predictor/

- Built a data-driven web application using JavaScript
- Demonstrates analytical thinking and problem-solving skills

---

LEADERSHIP & ENTREPRENEURSHIP

Co-Founder & CEO

Gradulert (PTY) LTD | 2015 – Present

- Co-founded a youth-focused employment and technology solutions platform
- Developed web-based solutions and employment matching initiatives
- Built partnerships and explored funding opportunities
- Led a small team focused on innovation and youth empowerment

---

VOLUNTEERING EXPERIENCE

Volunteer

Masedi Association Botswana | 2022

- Participated in community outreach and development initiatives
- Collaborated with organizations to support social impact programs

Assistant Stage Manager

Maitisong Theatre | 2012 – 2013

- Supported live event coordination and production operations
- Worked under high-pressure environments ensuring smooth execution

---

Certificate of Course Completion

Cisco Networking Academy

CCNAv7: Introduction to Networks

The student has successfully achieved student level credential for completing CCNAv7: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Configure switches and end devices to provide access to local and remote network resources.
- Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.
- Configure routers to enable end-to-end connectivity between remote devices.
- Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices
- Explain how the upper layers of the OSI model support network applications.
- Configure a small network with security best practices.
- Troubleshoot connectivity in a small network.

The student has successfully achieved student level credential for completing CCNAv7: Switching, Routing, and Wireless Essentials course administered by the undersigned instructor. The student was able to proficiently:

- Configure VLANs and Inter-VLAN routing applying security best practices.
- Troubleshoot inter-VLAN routing on Layer 3 devices.
- Configure redundancy on a switched network using STP and EtherChannel.
- Troubleshoot EtherChannel on switched networks.
- Explain how to support available and reliable networks using dynamic addressing and first-hop redundancy protocols.
- Configure dynamic address allocation in IPv6 networks.
- Configure WLANs using a WLC and L2 security best practices.
- Configure switch security to mitigate LAN attacks.
- Configure IPv4 and IPv6 static routing on routers.

The student has successfully achieved student level credential for completing CCNAv7: Enterprise Networking, Security, and Automation course administered by the undersigned instructor. The student was able to proficiently:

- Configure single-area OSPFv2 in both point-to-point and multiaccess networks.
- Explain how to mitigate threats and enhance network security using access control lists and security best practices.
- Implement standard IPv4 ACLs to filter traffic and secure administrative access.
- Configure NAT services on the edge router to provide IPv4 address scalability.
- Explain techniques to provide address scalability and secure remote access for WANs.
- Explain how to optimize, monitor, and troubleshoot scalable network architectures.
- Explain how networking devices implement QoS.
- Implement protocols to manage the network.
- Explain how technologies such as virtualization, software defined networking, and automation affect evolving networks.

To Whom It May Concern,

Dear Sir/Madam

I am writing to provide a reference for **Mr. Matlhogonolo Lame Matheo**, who was employed with **AllGreen Holdings** during our smart prepaid water meter installation project for the **Water Utilities Corporation**. He served in multiple capacities, including **Technician Department, IT Department and Marketing Department as KYC (Know Your Customer) Agent**.

Mr. Matheo was responsible for a wide range of duties, including technical support during meter installations, IT-related troubleshooting, customer outreach, and KYC verification. His roles involved fieldwork, resolving technical challenges, assisting the installation team, verifying customer information, and ensuring accurate data capturing and processing.

Throughout his time with us, Mr. Matheo demonstrated **strong technical competence**, professionalism, and reliability. As a technician and IT support personnel, he consistently handled system configurations, device checks, and troubleshooting tasks with precision. He adapted quickly to new technologies and showed excellent problem-solving abilities.

In his capacity as a Marketing and KYC Agent, he interacted directly with residents, conducted customer education, captured essential client information, and provided on-the-ground support during installations. His communication skills, patience, and ability to engage people from diverse backgrounds contributed significantly to smooth project execution and customer satisfaction.

North Unit 14B, CBD,
Gaborone, Botswana
Telefax: +267 316 4296
Website: www.allgreen.co.bw
E-mail: admin@allgreen.co.bw

Mr. Matheo proved to be a **valuable member of our team**, displaying dedication, accountability, and adaptability across all assigned responsibilities. His work ethic and willingness to take initiative made him dependable in both technical and customer-facing roles.

I confidently recommend **Mr. Matlhogonolo Lame Matheo** for any future employment opportunities requiring **technical support, IT assistance, fieldwork, customer engagement, or data administration**. He will undoubtedly be an asset to any organisation he joins.

Please feel free to contact me at 72519655 or loato@allgreen.co.bw should you require any further information.

Sincerely,

Loato Abram

TO WHOM IT MAY CONCERN

RE: LETTER OF REFERENCE FOR MR MATLHOGONOLO LAME MATHEO

I am writing to highly recommend Matlhogonolo Lame Matheo for any academic or professional opportunities. I have had the pleasure of supervising Matlhogonolo Lame Matheo in his role as an Assistant IT Officer at Allgreen Holdings (Pty) Ltd. During his time with us, he has demonstrated remarkable technical abilities, a strong work ethic,and a commitment to professional growth that I believe will make him an asset in any future endeavor.

In his role, Matlhogonolo Lame Matheo was responsible for supporting our IT infrastructure, troubleshooting a wide range of hardware and software issues, and ensuring network connectivity across multiple locations. He worked diligently to maintain optimal system performance, providing excellent technical support to both internal staff and external clients. His knowledge of IT systems, from network management to cybersecurity protocols, was a vital part of our operations.

One of Matlhogonolo Lame Matheo key strengths is his adaptability. He has been able to tackle both routine tasks and unexpected challenges with equal poise, consistently ensuring minimal disruption to our operations. He has an excellent grasp of complex technical concepts and has been able to communicate them clearly to colleagues with varying levels of technical understanding. His ability to collaborate across teams, both locally and remotely, has contributed greatly to the success of our projects.

Matlhogonolo Lame Matheo is also an avid learner. He is currently pursuing his CCNA certification and has shown impressive initiative in furthering his technical skills. His eagerness to stay up-to-date with emerging technologies is a testament to his passion for IT and his commitment to improving his professional expertise.

Beyond his technical skills, Matlhogonolo Lame Matheo has a strong sense of responsibility, exceptional time management, and the ability to work well under pressure. These qualities, coupled with his positive attitude and proactive nature, make him an excellent candidate for any role, whether in academia or industry.

I have no doubt that Matlhogonolo Lame Matheo will excel in whatever path he chooses to pursue. He is a diligent, talented, and dependable individual, and I fully support his pursuit of any academic or professional opportunity.

Should you require any further information, please do not hesitate to contact me at 3164296 or email me at david@allgreen.co.bw or dave.tshupo@gmail.com.

TO WHOM IT MAY CONCERN

RE: LETTER OF REFERENCE FOR MR MATLHOGONOLO LAME MATHEO

I am pleased to write this letter of recommendation for Matlhogonolo Lame Matheo, who has made significant contributions to Allgreen Holdings (Pty) Ltd during his time with our company. Matlhogonolo Lame Matheo initially joined us as a Smart Prepaid Water Meter Technician, where he demonstrated outstanding technical skills and a strong work ethic. It quickly became evident that his enthusiasm for learning and problem-solving was far beyond the scope of his initial role.

Due to his dedication and proactive approach, he was soon moved to the IT department to take on the role of Assistant IT Officer. This transition was a direct result of his eagerness to learn and his ability to quickly grasp complex technical concepts. His hard work and commitment to expanding his skill set made him a natural fit for the IT team, and we have been fortunate to have him as part of our IT department.

In his role as Assistant IT Officer, Matlhogonolo Lame Matheo has played a crucial partin supporting our network infrastructure, troubleshooting technical issues, and ensuringthe smooth operation of various IT systems. His responsibilities included assisting with network management, managing user accounts, implementing cybersecurity protocols,and providing technical support across multiple departments. His ability to handle both routine and urgent tasks with equal efficiency has been invaluable to our operations.

Throughout his time with us, Matlhogonolo Lame Matheo has demonstrated exceptional problem-solving skills, strong communication, and the ability to work effectively in ateam. He has shown remarkable adaptability in transitioning from the technical field of water meter systems to the more complex world of IT infrastructure and network management. His willingness to take on new challenges, along with his commitment to continuous learning (evidenced by his pursuit of the CCNA certification), has made him a key asset to our organization.

Beyond his technical abilities, Matlhogonolo Lame Matheo is a reliable, self-driven individual who thrives in high-pressure situations. He is always willing to go the extra mile to ensure that tasks are completed efficiently and to the highest standard. His collaborative nature, combined with his exceptional time management skills, makes himan asset to any team.

I am confident that Matlhogonolo Lame Matheo will excel in any academic or professional opportunity he pursues. His dedication, adaptability, and passion for growth will serve him well in all his future endeavors. I wholeheartedly support his application and am confident that he will continue to be a valuable contributor wherever he goes.

Should you require any additional information, please do not hesitate to contact me.
